Presentation Guidelines

At Edgar Snyder & Associates, we see first-hand the devastation caused by drunk driving and texting while driving. We also feel that teens are the best source of information for discouraging underage drinking and distracted driving among their peers. That's why we are asking high school seniors to create a presentation that discourages drinking and driving and/or distracted driving. Presentations may be sent in the following formats:

VIDEO BROCHURE WEBSITE ESSAY OTHER IDEA :: BE CREATIVE WITH YOUR ENTRY!

With the exception of videos, please mail both a printed hard copy, as well as the file used to create your presentation on a CD or DVD. For videos, only the file on DVD or CD is necessary. Be sure to test your presentation before sending. Please make sure that you label everything you send with your name and school.
